

## Student Evaluation for Revised Fundamentals of Caregiving

### Rating the Class Subject Matter

Please rate the subject matter (content) of each module. Some things to think about are how clearly the information was presented in the module, how relevant the information will be to your job, and if it will help you provide better quality care.

	Not that Useful		Somewhat Useful		Very Useful
Module 1—Introduction	1	2	3	4	5
Module 2—The Client and Client Rights	1	2	3	4	5
Module 3—The Caregiver	1	2	3	4	5
Module 4—Infection Control	1	2	3	4	5
Module 5—Mobility	1	2	3	4	5
Module 6—Basic Communication	1	2	3	4	5
Module 7—Skin and Body Care	1	2	3	4	5
Module 8—Nutrition and Food Handling	1	2	3	4	5
Module 9—The Process of Elimination	1	2	3	4	5
Module 10—Medications and Other Treatments	1	2	3	4	5
Module 11—Self Care and the Caregiver	1	2	3	4	5
Resource Directory	1	2	3	4	5
Common Disease and Conditions	1	2	3	4	5
Skill Checklists	1	2	3	4	5

Comments:

**Please rate how helpful the following methods were to your learning during the class.**

	Not helpful	Somewhat Helpful			Very Helpful
Instructor lectures	1	2	3	4	5
Module Reviews (practice tests at end of modules)	1	2	3	4	5
Module Scenarios (exercise at end of module researching disease, Problem solving and demonstrating a skill)	1	2	3	4	5
